Subject: Declaration of activity of a training provider

Ref:

PJ: Activity declaration receipt

Sir, Madam,

I have the honor to issue you, herewith, a receipt with the registration number of your declaration of activity as a training provider in accordance with the provisions of Article R. 6351-6 of the Labor Code.

This number must not be considered as an agreement. It must appear on your agreements, professional training contracts, purchase orders or invoices in the form:

« *declaration of activity registered under the number 11755784775 with the prefect of the region of Ile-de-France* ».

If you mention it on an advertising document, it can appear, in application of the article L. 6352-12 of the labor code, only in the form:

« *registered under number 11755784775, This registration is not equivalent to the approval of the State* ».

To have access to your information and to be able to deposit your educational and financial report, you must create an account on the service portal
<https://mesdemarches.emploi.gouv.fr>.

You will then need the following activation code and the registered SIRET for your file to access your organization's record:

Activation code: MD7JPSGJ4TMO

Registered SIRET; see receipt

You can modify some of the elements of the declaration on your organizational form: address in case of moving to Ile-de-France, code of your SIRET number, status (without SIREN change), NAF code, company name, training specialty, person with a management or administrative function of the training provider.

In case of cessation of activity, you must inform the administration which issued you the number in order to establish a corrective statement.

I invite you to consult the document "Guide for the use of training organizations in Ile-de-France" on the website of Direccte IDF: <http://idf.direccte.gouv.fr/Vous-etes-un-organisme-de-formation-ou-vous-souhaitez-le-devenir-Ces>

This brochure sets out the rights and obligations of training providers and in particular:

- The field of continuing vocational training;
- The rules relating to the drafting of agreements and professional training contracts;
- The quality of the training;
- Accounting obligations;
- Sanctions in case of non-compliance.

Please accept, Madam/ Sir, my sincerest greetings.

The Head of the Department of Controls
Of Vocational Training of Ile de France
