PROGRAMME OVERVIEW

With the **Postgraduate Diploma in Teaching** Programme, individuals will learn to combine passion, talent, skills, morals, and professional ethics, into a rewarding career aimed at inspiring and uplifting future generations. This course is designed to meet the needs of those who possess a tertiary qualification intending to pursue teaching profession but do not hold any nationally-recognized teaching qualification. It will meet the needs of trainers and teachers in education, community, government and industry. It builds on their qualifications or experience - preparing them for higher roles. This is the ideal self-paced distance learning course for Professional Development aimed at individuals in the field of Education. They'll gain the confidence and skill-set needed to lead educational institutions or organizations in education.

TUITION FEE

€799.00
